

# IMPOSSIBLE TO LOOK AWAY.

Nothing grabs attention like the classic long-nose conventional look of the International® 9900*i* and 9900*ix*. Especially when they're chromed out from top to bottom, reflecting your bold, independent spirit. Spec one today with a factory chrome package and start turning heads. From the custom-etched battery box and lower hood panel up to the illuminated sunshade and front air cleaner, over twenty factory installed chrome accent pieces enhance the timeless appeal and classic beauty of the International 9900. Add to that the reliability and uptime you've come to expect, and you've got the rare combination of good looks and dependability that only the International owner can experience.
